Request for Certificate Of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.322.

Inspection of columns 3 and 4, of the application for the above patent reveals that the errors mentioned in your request are in fact printed in accordance with the record in the Patent and Trademark Office, as passed to issue by the examiner. There, being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322.

In view of the foregoing your request in these matters are hereby again **denied**.

Attached is a copy of the pages of your specification that was received in our office.

However, further consideration will be given to these matters, upon receipt of a request for certificate of correction under the provision of 1.323, accompanied by the appropriate fee, which is presently $100.
